

Volunteer Drivers NEEDED!

As with all programs changes happen and we happen to have three GREAT volunteers TRIPS drivers to be retiring: Harold Faherty (Platteville), Marvin Studnicka and Velma Wetter (both of Lancaster). Besides these three we also happen to have several you go “south” for several months during the winter.

We **need** more volunteer drivers to help take people to medical and other important business trips. The demand for this type of transportation is increasing every month. Clients go to appointments locally in Grant County and to other destinations like: Dubuque, Madison, LaCrosse, Prairie du Chien, Dodgeville, Darlington, Sauk City, Viroqua, Galena, Monroe and various other locations.

Volunteer Drivers are not committed to say yes every time we call. If you are already busy doing something you can tell us “No not available that day”.

Drivers are reimbursed for their mileage from the time they leave home until they arrive back home at the I.R.S. rate (currently 56 cents a mile). Meals are reimbursed within the county guidelines as well as parking costs.

So if you want to give back to your community that makes a positive impact on not only their life but yours contact Rita Harmon at the ADRC, 608-723-6113 or 800-514-0066.
